Terms and Conditions

- Excessive repairs on a specimen will be billed at a rate of \$50.00 per hour, with a minimum of 1 hour.
 - The customer is responsible for complying with all state and federal game laws.
- All animals that require tagging will need to be tagged and the conformation number assigned by the WRC will be needed when received, without the proper info we will not be able to accept your trophy.
 - Deposit includes: getting your trophy to the tanned stage and is non refundable.
- Balance is due when your trophy is ready to be assembled. We will invoice you the balance via postal mail, email, and give you a courtesy call two weeks prior to your scheduled assembly date. Your project will not be assembled and completed until we receive the balance due. If payment is received after the scheduled assembly date we will reschedule your project and give you a new assembly date. (If you miss your scheduled assembly date it could prolong getting back on the schedule for assembly)
Payment of: Check, Credit Card, or you can pay in person with cash..
 - Mounts will be ready for pickup 30-60 days after the confirmed assembly date.
 - Estimated time of completion is 12-14 months from drop off.
- Dynamic Taxidermy has no control over specimens before they enter our shop. Therefore, we cannot guarantee the results of the mount if the specimen was improperly cared for or is not in prime condition. Customer has read the above and fully understands.
